Dear Stuart

RE: EDGEWATER PARK, WARRINGTON – NHBC AWARD

I am pleased to inform you that our Site Manager, Gregg Taylor, was awarded the prestigious NHBC Regional Award at the NHBC Pride in the Job Awards ceremony on Friday, 17 October 2014. Gregg will now go forward to compete for the Supreme Awards which are to be held in London in January 2015.

I would just like to take this opportunity to thank you for your input and assistance in helping achieve this award and would be grateful if you would cascade these thanks down to the respective members of your staff who have worked on this site.

Once again, thank you for assistance.

Kind regards
