Dear Mr Leigh

On behalf of Derian House Children's Hospice, I would like to thank you for your kind donation of £280.00.

This is a very generous donation, and one which is very much appreciated by everyone at Derian House Children's Hospice. We currently support 265 families throughout the North West who have a child with a life threatening or life limiting condition, whilst our specialist bereavement care offers ongoing support to parents, siblings and grandparents, providing them with the security of knowing that we're there for them for as long as they need us.

As a charity which receives minimal funding from statutory sources, we have to rely on our own efforts and the generosity of our friends in the wider community to meet our financial target which this year stands at a daunting £3.85 million, so this donation will be a substantial contribution towards that total.

We'd love to keep you updated with information on events and developments at Derian House so you're able to see what a tremendous difference your support makes to our children and families. We'll make sure, therefore, that we send you our newsletters and event information as a matter of course. Please let us know if at any time in the future you'd prefer not to receive such communications.

However, we'd like to assure you that your details are kept in the strictest confidence, and Derian House will never divulge your details to any other charity, third party or commercial organisation.

Yours Sincerely

Karen Birch (Mrs)
Finance Assistant

Together we can make a difference
